

# HAH-STUFF

Heavy Duty

Construction Dumping System (CDS)

Specially designed to dispose construction debris in seconds; safe and economic, clean and easy to use.

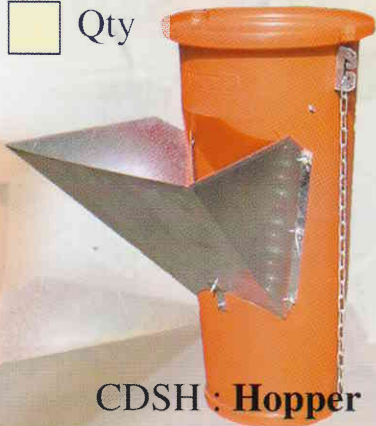

**HAH-STUFF Chute & Hopper is manufactured from Heavy Duty Polyethylene that ensure: -**

- \* Light Weight \* No Corrosion
- \* Low Noise \* Durable & Reusable
- \* Easy to Install & Dismantle
- \* Effective, Efficient & Safe
- \* UV Stabilized \* Nestable
- \* Transportable

**Chutes & Hoppers Characteristics**

Tensile strength at yield	18.1 MPa
Tensile strength at break	9.3 MPa
Elongation at break	166.1 %
Flexural yield strength	15.5 MPa
Flexural modulus strength	600.0 MPa
Chain load	300.0 kg

Qty

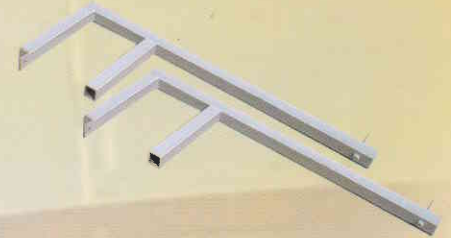

**CDSH : Hopper**

Qty

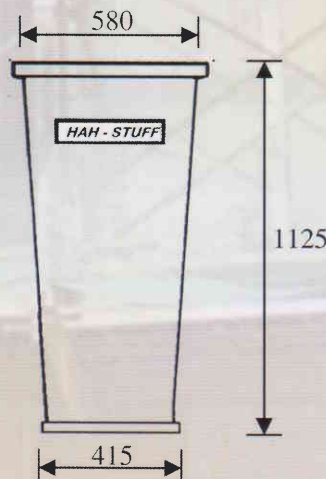

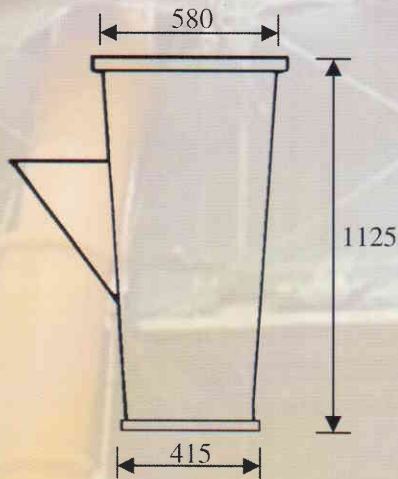

**CDSC : Chute**

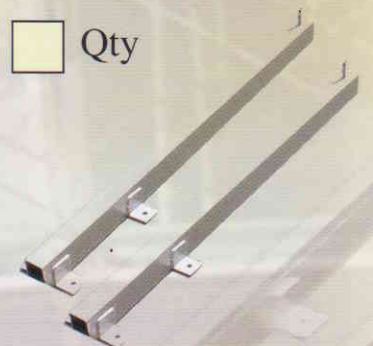

Qty

**CDSFF : 'F' Frame**  
(For Parapet Mounting)

Qty

**CDSFB: Floor Bracket**  
(For Floor Mounting)

**Quotation Requisition Form**

(Write the required quantity in the box provided)

Company: \_\_\_\_\_ Name: \_\_\_\_\_

Address: \_\_\_\_\_ Contact No.: \_\_\_\_\_

\_\_\_\_\_ Fax No.: \_\_\_\_\_

Qty

**CDSSB: Slab Bracket**  
(For Slab Mounting)

**Colour Available**

(Tick the colour of your choice)

Dark Orange 619  
(Standard Colour)

Light Green 209  
(Upon Request)
